### Eligibility for Admission:

1. Completed all the technical courses from the list of courses indicated on the front with at least a GPA of 2.75 and a grade of “C-” or better in each course (*see item 5 below*). *No grades below a “C-“are acceptable toward the degree.*

5. UNM Core Curriculum Requirements apply to all students admitted into UNM. You must earn a grade of “C” or better (not “C-”) in any course that you intend to count toward fulfilling the *UNM Core Curriculum*. The SOE degree program curriculum indicates which courses fulfill the *UNM Core Curriculum*.
